The Institute established in 2005 aims to match its standards with the top most professional colleges of the country. The best of facilities and environment are provided to the students for their overall development. Our dream is to give the students not only quality education but also provide them opportunities in their respective profession through placement.

## **ABOUT THE DEPARTMENT**

LLDIMS started B. Ed. Course with the aim of providing high and supporting school education as a feeder. Since its establishment our department is sincerely focusing on creating competent teachers and empowering them to realize their potential and to serve the mankind. With a notion to produce teachers for global citizens, the student teachers are exposed to various activities, catering to their cognitive, affective, cognitive and psycho-social development.

## **ABOUT THE PROGRAMME**

The present **National Education Policy of India 2020 (NEP 2020)**, aims at school and higher education institutions both outlining the vision of new education system of India. Through NEP 2020, the Government of India has paved the way for transformative and dynamic reform in school and higher education system of our country.

The National Education Policy 2020 was approved by the Union Cabinet of India on July 29, 2020. The new education policy has replaced the previous "National Policy on Education, 1986" which was the second only education policy of India since independence as the first "National Policy on Education" was launched in the year 1968.

This national seminar and call for papers is an attempt to share and discuss the applicability and implementation of NEP 2020 effectively in the educational institutions across India.

The conclusion drawn from the seminar would facilitate the organizers, participants and other stakeholders in making suggestions and legislative and policy based interventions to bring about positive and wholesome transformation in both social cum legal sphere
